

So Cal ECMMA wants you!!!! We're having a membership drive for our SoCal ECMMA chapter. The officers are located in San Diego/Poway area. We accept members from any part of Southern California, but we will probably have our next workshop in the San Diego area. Future workshops can be in other areas, as long as we have some volunteers to help organize them in the desired area. Please contact Sharon Mello (socalecmma@yahoo.com) to join the So Cal Chapter. Our dues of \$10 a year are very reasonable, because we want to re-invigorate our chapter, which has been dormant for too long. Please pass the word!
